Hi Karen,

We have been working with this constituent and another one of Senator Padilla's staffers on this issue already. I will go ahead and forward this information to our team.

Thank you,

Sonam

Hi Julia & Sonam,

This Padilla constituent request appears to be a local issue. Would you please address it? If you need anything from OAR/HQ, please let me know.

Thank you - Karen.

Subject: Congressional Inquiry: All American Asphalt

Hello,

I hope this email finds you well. I am contacting you from the Congressional office of U.S. Senator Alex Padilla (D-CA). Please see the Privacy Authorization Form and supporting documentation from our constituent, Kim Konte of Non Toxic

Neighborhoods organization. The organization has reached out to our office regarding a ongoing public health crisis plaguing Orange County. All American has been in business in Southern California for over 40 years. They started as a trucking company and have now evolved into a material production and construction company. With five asphalt plants located in Westminster, Corona, Irvine, Irwindale, and San Fernando along with an aggregate producing facility in Corona. The company has gained many complaints regarding a strong smell that has made residents ill. The Non Toxic Neighborhood organization along with community leaders are seeking to find a solution to this ongoing issue.

Please give this inquiry your full and fair consideration with all applicable rules, regulations, and laws set forth. If you have any additional questions, please contact me directly via email at raven_thrift@padilla.senate.gov or telephone [213-248-0717](tel:213-248-0717).
